# A true picture of your net worth

**My Blackadders Wealth** tracks the value of your assets and liabilities over time. For you, your partner, your dependants, your trusts, your companies: all information is brought together into a single view.

# Access your insurances when you need them

Your policy details are stored next to the things they relate to. Your home insurance next to your home, your car insurance next to your car. **My Blackadders Wealth** reassures you that in the event of an emergency you can access the information you need quickly and easily.

# Secure and timely communications

**My Blackadders Wealth** ensures that your personal data is exchanged using only the most secure methods. Notifications alert you when important messages or documents are waiting to be read.

# Enhanced privacy controls

Our privacy controls allow you to decide who your information is shared with, for example your partner or your Blackadders Wealth Management adviser. Set your privacy defaults when you first log in and easily change this for individual financial items you add to your account.

**My Blackadders Wealth** ensures that you are always in control of your data.

## Your data is always protected

We take the security of your personal and financial information very seriously and **My Blackadders Wealth** makes sure that your data is safeguarded using bank level security and encryption. Our mobile app is further protected with your own six-digit pin and registered to your personal device.

## And finally, for your peace of mind

If an emergency situation arises, where will the important details about your assets, liabilities, property and insurances be found?

**My Blackadders Wealth** brings all this information together in one place with all the associated paperwork, making it accessible should it be needed.
